RE: Application of Kiawah Island Utility, Inc. for Adjustment of Rates and Charges (Increase) and Modifications to Certain Terms and Conditions for the Provision of Water and Sewer Service
Docket No. 2021-324-WS

Dear Ms. Boyd:

As the record will reflect, I represent the Applicant in the above captioned matter. The Applicant's witness Becky Dennis prefiled confidential and public testimony January 27, 2022. After discussions with the Office of Regulatory Staff ("ORS"), the Applicant has determined to withdraw the confidential designation of Ms. Dennis' testimony.

In addition, since Ms. Dennis' direct testimony was prefiled, she has discovered a typographical factual error in connection with the number of the Applicant's water customers. Ms. Dennis' prefiled testimony states that the Applicant has 4323 water customers, whereas the Applicant has 4343 water customers. The Applicant has apprised the ORS and other interested parties of this corrected figure in response to the ORS' data request No. 11-17 served February 4, 2022. The Applicant is filing the corrected testimony herewith. The corrected number of customers is found on page 5, line 4 of the enclosed.

Consequently, I am withdrawing the confidential and public testimony of Ms. Dennis and substituting instead the enclosed unredacted, corrected testimony of Ms. Dennis. Please let me know if you have any questions.

Sincerely,

Elliott & Elliott, P.A.

Scott Elliott
